Welcome & Declaration of Interest	Action
<ul style="list-style-type: none"> ▪ The minutes of the March meeting were agreed and signed as an accurate record. ▪ There were no declarations of interest. 	
Matters Arising / Maintenance Required	
<ul style="list-style-type: none"> ▪ Tree Inspection: S Youldon reported that Ash Tree leaning on the Beech Tree had been looked at professionally and reported that no urgent action required as it had nowhere to go, although plans should however be made to remove this in 2019. S Youldon to obtain costs so this could be added to the Members Bid grant application. ▪ New Trees: S Youldon to investigate obtaining trees from the Woodland Trust for planting at the working party. ▪ Pathway: Reported that it had become overgrown especially towards the road side of the pond, agreed this would be added to the working party list if there was sufficient volunteers. All agreed that the current soil humps around the pond occasionally used by bikes could be left but any purposefully built jumps would continue to be removed. ▪ Signage: A Millennium Green Open Spaces sign signifying the opening up of the Millennium Green Trust for Dunmore Pond back in 2000 has been presented to the PC. It was agreed that this would be best placed on the village hall, facing out on to the playing field. S Youldon to consult with the VHC. 	<p>SY</p> <p>SY</p>
