

Fete Accompli!

Brightwalton is a small village which achieves great things! On 30 April the main event of the year to start the season, the Fete proved where there is a will, there is a way, and the people of Brightwalton certainly showed they can organise. A Fete Committee led by Dave Judge gathered an impressive number of items to make the Fete go with a swing. A pre-fete party the evening before was very popular. Wantage Silver Band started proceedings followed by Peasmore Ukelele and Garston Gallopers.

Meanwhile the dog show took centre stage and various side stalls kept visitors interested. The barbecue and a well-organised bar were very popular! Football kept energetic people active with the tournament. The trip to the bluebells was sold out. Towards the end we were entertained with a delightful display by young (some very young) Releve dancers and an excellent Maypole Dance by Brightwalton schoolchildren.

The raffle and a grand tug-of-war rounded off an excellent occasion. A very big thanks to everyone who made such a big effort to contribute.

Sorry you missed this one, but watch out on Facebook for more.

2022 – 2023 Parish Council Chairmans Report

If I look back over the 10 years that I have been Chairman of the Parish Council, I feel proud of the great team of Councilors we have, what they have achieved and the sense of Community Spirit they bring to the role. This is my last year that I will be reporting back to you.

As always it has been a busy year for the village. The highlights of the year have been :

The appointment of Katherine Moore into the new role of Brightwalton Village Co-ordinator. Having raised the funding for a 2 year project as part of the ASPIRE programme, we were delighted to welcome Katherine into this new role. Within her first three months she has launched a Youth Club drawing in 18 primary school aged children. The Church Mouse Soup Kitchen is live and being run by Diane Widborne and Sue Sayers. So far 3 Soup lunches have been hosted. There is lots more being planned including several concerts, craft activities and sales, most of which are making good use of the new kitchen and area at the back of the church.

We had a wonderful turnout for the Jubilee picnic on the playing field and the Coronation picnic more recently.

This picture of the pre-fete party sums up the strength of the community in Brightwalton. This was a lovely informal evening that marked the start of another very successful village fete – all run by volunteers from the village.

The fabric of the village has been well maintained this year with updates to the playground, highway improvements on Common Lane, and new Cricket nets in place.

The one project that is proving challenging, which we feel is a vital asset for the village longer term is to continue to push forward on extending the reach of higher-speed Broadband coverage. At the time of writing the project is on hold whilst we wait to find out if we are included in the next phase of central government funding. We hope for more progress next year.

Finally in terms of finances for the year. Against a total income of £11,900 which included grants for the play equipment, we have managed to stay within £20 of our budget thanks to the excellent stewardship of Sarah our Parish Clerk. We were also able to make good use of the £1,700 of Community Infrastructure Levy funds carried over from last year to help complete the projects and avoid using further Parish Council savings.

Invariably costs are expected to rise again in the coming year, however we have managed to keep the precept increase to 4%.

As we look forward, I am delighted to hand over the reins of the Chairman's post to Tim Wyatt. Tim has been an active member of the Parish Council since 2017 and for the last 6 months has been Vice Chair. A significant feather in the cap of Brightwalton is that West Berkshire Council Community Team have already been in touch with us to use the Village Co-ordinator model as best practice to potentially be rolled out to other parishes. This together with a review of the Parish Plan is a good place for Tim to take over and start a new phase.

Geoff Greyer sent this email just before the fete. Unfortunately, he has since died at his bungalow at Southend. He contributed several articles in the past to Brickleton News about astronomy and also about his pet visiting destination, Faringdon Folly Tower. Geoff frequently appeared at social events, and often complained to me about the lack of these in the village. He would certainly have been at the village party before the fete as he enjoyed his beer. He lived alone in a bungalow and for many years kept a tall antenna for communication around the world with radio hams. He was also a keen sports car fan.

We don't know if his position as representative at the Downland Practice will be filled.

On Wednesday, April 19, I attended my second meeting of the Downlands Practice Patient Participation Group, at Compton Surgery.

1) After a short survey, it has been decided to proceed with acquiring an automatic dispensing machine for medicines, which will be installed in the wall of the surgery at Chieveley, with 24/7 access. Patients who use it will need a mobile 'phone to obtain the access code. However, the cost will be approximately £40k, so funding sources are being investigated. So don't expect this to be available for some time !

2) I raised some matters regarding problems at the Dispensary; Dr. Cave admitted that it was impossible to know exactly what medications they had in stock.

3) Blood tests: As previously announced, these are no longer done at the surgery, because there is no funding from the NHS to do this. The waiting list at the Newbury Community Hospital has been many weeks. This has reduced somewhat recently, but the hospital is reported to be making phlebotomists redundant! The Practice will be protesting to the local NHS Trust, hopefully with the support of other local Practices via the Patient Panel (a multi-Practice group).

RIDE + STRIDE for Churches

SAVE THE DATE - Saturday September 9th.

WHY? It's the annual Ride & Stride event!

This national event happens every year across the country. Any mode of transport is fine – you could walk, cycle, ride - simply choose a route and find lots of sponsorship from all your friends and family, perhaps every person in your congregation could sponsor you?

You can go by yourself or in a group, any time between 10am and 6pm and many people make a day of it. There are so many wonderful and interesting churches to visit, many will be open and offering refreshments too.

There is also the Daphne Barnes-Phillips trophy which is awarded to the most successful church each year – this is a splendid silver cup which is still resting with St Peter's Woolhampton as they raised the most sponsorship in 2022.

Your nominated church will benefit hugely as they will receive half of your sponsorship. The remaining 50% goes to Berkshire Historic Churches Trust which in turn makes generous grants to churches in need.

More details will be provided closer to the event from your local co-ordinator or from the BHCT Ride & Stride website

STUART BREADMORE

It is with such great sadness we learnt that Stuart Breadmore passed away over Easter.

His links with Brightwalton go back to when he came down from Scotland as a boy to live with his grandparents, Violet and Den Breadmore, in Ash Close. The village was his home, a home he loved very much and where he and Rachel brought up their children, Michael and Heather, who are now grown up and have moved to their new lives and families, but always hold Brightwalton as home.

Stuart took a personal pride in the village and for many years he cared for the churchyard, mowing the grass and keeping the graveyard tidy and looked after, along with Rachel's grave, where he will finally settle. He had respect for the church and put in a lot of time and effort, along with Michael who helped with this weekly commitment.

Until very recently, Stuart kindly mowed the playpark and surrounding areas. Again, taking trouble over it, he took pride in what he did, holding himself to his own high standards. Stuart was a man who truly cared and these areas were in very safe hands.

Stuart was genuine and loyal - and with a very loud laugh! He will be missed.

We are now into our busy time. The crops have been drilled and had fertiliser on plus they had some sprays put on. The crops look well but due to it being wet there is a big black grass problem hence having to spray.

Black grass can spread very quickly if not controlled and is allowed to become widespread in a crop, can reduce yields. You can see the blackgrass in this picture.

We have also at last turned the cows and calves out.

We were late doing this due to the wet and cold weather. The calves would struggle in the wet and also they cut the grass up so it ends up looking like a ploughed field. Anyway they are happy now but we do have a couple that we are supplement feeding as their Mums don't have enough milk for them. We

have also had our first cut of silage so that is now safely in the clamp. Fertiliser has been put on to encourage growth for the next cut.
