Agenda

Welcome & Introduction from Chairman

Representatives from the following groups have been invited:

- Parochial Church Council
- ASPIRE Project Team
- Village Hall Committee
- Brightwalton C of E Primary School
- Friends of Brightwalton School

The objective of the Parish Meeting this year is to discuss ideas on how we can build a wider community spirit in Brightwalton, for the mutual benefit of everyone in the village.

As a Parish Council, we are very conscious of the importance of finding ways to build greater levels of engagement and interaction from as many people as possible in the village (all of which was supported in the recent village survey).

The ASPIRE project is the single biggest village project at the moment and if executed well has the potential to positively impact a very large number of people from around the village and through the school to an even larger group of people.

Come and join us for a glass of wine and a lively discussion on how we can get more people engaged in Brightwalton
