Planning	
<u>17/02728/FULD Manor Farm, Brightwalton – Proposal for conversion of brick built barn/outbuildings to two dwellings.</u> Councillors reviewed the plans and agreed to Support the application, with a note to WBC to consider a planning condition tying the new properties to Manor Farm. This was considered appropriate due to their proximity to the other farm buildings and the access across the farmyard. It was also noted that WBC had incorrectly quoted the location address as Manor Farm House rather than Manor Farm, S Youldon to submit response to WBC and inform them of the address error.
